MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES BY MANAGEMENT

This Management Information Circular is furnished in connection with the solicitation by management of Fieldex Exploration Inc. (the “Corporation”) of proxies to be used at the Annual and Special Meeting of shareholders (the “Meeting”) of the Corporation to be held at the time and place and for the purposes set forth in the Notice of Meeting. It is expected that the solicitation will be made primarily by mail. However, officers and employees of the Corporation may also solicit proxies by telephone, telecopier, e-mail or in person. The total cost of solicitation of proxies will be borne by the Corporation. Pursuant to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy-related materials to beneficial owners of the shares. See “Appointment and Revocation of Proxies – Notice to Beneficial Shareholders” below.

INTERNET AVAILABILITY OF PROXY-RELATED MATERIALS

Notice-and-Access

The Corporation has elected to use “notice-and-access” rules (“**Notice-and-Access**”) under NI 54-101 for distribution of Proxy-Related Materials (as defined below) to shareholders who do not hold shares of the Corporation in their own names (referred to herein as “**Beneficial Shareholders**”). Notice-and-Access is a recent set of rules that allows issuers to post electronic versions of proxy-related materials on SEDAR and on one additional website, rather than mailing paper copies. “**Proxy-Related Materials**” refers to this Management Proxy Circular, the Notice of Meeting and a voting instruction form.

The use of the Notice-and-Access is more environmentally friendly as it will help reduce paper use. It will also reduce the Corporation’s printing and mailing costs. Beneficial Shareholders may obtain further information about Notice-and-Access by contacting: (i) for Beneficial Shareholders with a 15-digit Control Number: Computershare Investor Services Inc. toll free at 1-866-964-0492; or (ii) for Beneficial Shareholders with a 16-digit Control Number: Broadridge Financial Solutions, Inc. toll free at 1-855-887-2244.

The Corporation is not using Notice-and-Access for delivery to shareholders that hold their shares directly in their respective names (referred to herein as “**Registered Shareholders**”). Registered Shareholders will receive paper copies of this Management Proxy Circular and related materials via prepaid mail.

Websites Where Proxy-Related Materials are Posted

The Proxy-Related Materials are available on the Corporation’s website at www.fieldexexploration.com and under the Corporation’s profile on SEDAR at www.sedar.com.

Notice Package

Although the Proxy-Related Materials have been posted on-line as noted above, Beneficial Shareholders will receive paper copies of a notice package (“**Notice Package**”) via prepaid mail containing information prescribed by NI 54-101 such as: the date, time and location of the Meeting, the website addresses where the Proxy-Related Materials are posted, a voting instruction form, and supplemental mail list return card for Beneficial Shareholders to request they be included in the Corporation’s supplementary mailing list for receipt of the Corporation’s interim financial statements for the 2015 fiscal year.

How to Obtain Paper Copies of Proxy-Related Materials

Beneficial Shareholders may obtain paper copies of this Management Proxy Circular free of charge by contacting: (i) for Beneficial Shareholders with a 15-digit Control Number: Computershare Investor Services Inc. toll free at 1 866-962-0498 (within North America) or 514-982-8716 (outside North America); or (ii) for Beneficial Shareholders with a 16-digit Control Number: Broadridge Financial Solutions, Inc. toll free at 1-877-907-7643. Any request for paper copies which are required in advance of the Meeting should be sent so that the request is received by the Corporation by July 3, 2015 in order to allow sufficient time for Beneficial Shareholders to receive their paper copies and to return their voting instruction form by its due date.

APPOINTMENT AND REVOCATION OF PROXIES

Appointment of Proxy

A Registered Shareholder who is unable to attend the Meeting in person is requested to complete and sign the enclosed form of proxy and to deliver it to Computershare Investor Services Inc. (i) by mail or hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or (ii) by facsimile to 416-263-9524 or 1-866-249-7775. A Registered Shareholder may also vote using the internet at www.investorvote.com or telephone at 1-866-732-8683. In order to be valid and acted upon at the Meeting, the form of proxy must be received no later than 5:00 p.m. (eastern time) on July 13, 2015 or be deposited with the Secretary of the Corporation before the commencement of the Meeting or any adjournment thereof.

The document appointing a proxy must be in writing and executed by the Registered Shareholder or his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

A Registered Shareholder submitting a form of proxy has the right to appoint a person (who need not be a shareholder) to represent him or her at the Meeting other than the persons designated in the form of proxy furnished by the Corporation. To exercise that right, the name of the Registered Shareholder's appointee should be legibly printed in the blank space provided. In addition, the Registered Shareholder should notify the appointee of his or her appointment, obtain his or her consent to act as appointee and instruct him or her on how the Registered Shareholder's shares are to be voted.

Shareholders who are not Registered Shareholders should refer to "Notice to Beneficial Holders of Shares" below.

Revocation of Proxy

A Registered Shareholder who has submitted a form of proxy as directed hereunder may revoke it at any time prior to the exercise thereof. If a Registered Shareholder who has given a proxy personally attends the Meeting at which that proxy is to be voted, that Registered Shareholder may revoke the proxy and vote in person. In addition to the revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Registered Shareholder or his attorney or authorized agent and deposited with (i) Computershare Investor Services Inc. at any time up to 5:00 p.m. (eastern time) on July 13, 2015 by mail or by hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or by facsimile to 416-263-9524 or 1-866-249-7775, (ii) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or (iii) with the Secretary of the Corporation before the commencement of the Meeting, or any adjournment thereof, and upon any such deposit, the proxy will be revoked.

Notice to Beneficial Shareholders

The information set out in this section is of significant importance to many shareholders, as a substantial number of shareholders are Beneficial Shareholders and do not hold shares of the Corporation in their own names. Beneficial Shareholders should note that only proxies deposited by Registered Shareholders (shareholders whose names appear on the records of the Corporation as the registered holders of shares) can be recognized and acted upon at the Meeting or any adjournment(s) thereof. If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name on the records of the Corporation. Those shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of those shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Shares held by brokers or their nominees can be voted (for or against resolutions or withheld from voting) only upon the instructions of the Beneficial Shareholder. Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. Subject to the following discussion in relation to NOBOs (as defined below), the Corporation does not know for whose benefit the shares of the Corporation registered in the name of CDS & Co., a broker or another nominee, are held.

There are two categories of Beneficial Shareholders for the purposes of applicable securities regulatory policy in relation to the mechanism of dissemination to Beneficial Shareholders of proxy-related materials and other securityholder materials and the request for voting instructions from such Beneficial Shareholders. Non-objecting beneficial owners ("NOBOs") are Beneficial Shareholders who have advised their intermediary (such as brokers or other nominees) that they do not object to their intermediary disclosing ownership information to the Corporation, consisting of their name, address, e-mail address, securities holdings and preferred language of communication. **Securities legislation restricts the use of that information**

to matters strictly relating to the affairs of the Corporation. Objecting beneficial owners (“OBOs”) are Beneficial Shareholders who have advised their intermediary that they object to their intermediary disclosing such ownership information to the Corporation.

In accordance with the requirements of NI 54-101, the Corporation is sending the Notice Package, directly to NOBOs and indirectly through intermediaries to OBOs. NI 54-101 permits the Corporation, in its discretion, to obtain a list of its NOBOs from intermediaries and use such NOBO list for the purpose of distributing the Notice Package directly to, and seeking voting instructions directly from, such NOBOs. As a result, the Corporation is entitled to deliver the Notice Package to Beneficial Shareholders in two manners: (a) directly to NOBOs and indirectly through intermediaries to OBOs; or (b) indirectly to all Beneficial Shareholders through intermediaries. In accordance with the requirements of NI 54-101, the Corporation is sending the Notice Package directly to NOBOs and indirectly through intermediaries to OBOs. The cost of the delivery of the Notice Package by intermediaries to OBOs will be borne by the Corporation.

The Corporation has used a NOBO list to send the Notice Package directly to NOBOs whose names appear on that list. If the Corporation’s transfer agent, Computershare Investor Services Inc., has sent these materials directly to a NOBO at the request of the Corporation, such NOBO’s name and address and information about its holdings of shares of the Corporation have been obtained from the intermediary holding such shares on the NOBO’s behalf in accordance with applicable securities regulatory requirements. As a result, any NOBO of the Corporation can expect to receive a voting instruction form from Computershare Investor Services Inc. NOBOs should complete and return the voting instruction form to Computershare Investor Services Inc. in the envelope provided. In addition, telephone voting and internet voting are available; instructions in respect of the procedure for telephone and internet voting can be found in the voting instruction form. Computershare Investor Services Inc. will tabulate the results of voting instruction forms received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by such voting instruction forms.

Applicable securities regulatory policy requires intermediaries, on receipt of Notice Packages that seek voting instructions from Beneficial Shareholders indirectly, to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings on Form 54-101F7 (Request for Voting Instructions Made by Intermediary). Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting or any adjournment(s) thereof. Often, the form of request for voting instructions supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to Registered Shareholders; however, its purpose is limited to instructing the Registered Shareholder how to vote on behalf of the Beneficial Shareholder. Beneficial Shareholders who wish to appear in person and vote at the Meeting should be appointed as their own representatives at the Meeting in accordance with the directions of their intermediaries and Form 54-101F7. Beneficial Shareholders can also write the name of someone else whom they wish to attend at the Meeting and vote on their behalf. Unless prohibited by law, the person whose name is written in the space provided in Form 54-101F7 will have full authority to present matters to the Meeting and vote on all matters that are presented at the Meeting, even if those matters are not set out in Form 54-101F7 or this Management Proxy Circular.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). In forwarding the Notice Package to Beneficial Shareholders, Broadridge typically includes a voting instruction form in lieu of the form of proxy that some intermediaries employ. Beneficial Shareholders are requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free telephone number to vote the shares held by them or access Broadridge’s dedicated voting website at <https://central-online.proxyvote.com> to deliver their voting instructions. Broadridge will then provide aggregate voting instructions to the Corporation’s transfer agent and registrar, which tabulates the results and provides appropriate instructions respecting the voting of shares to be represented at the Meeting or any adjournment(s) thereof.

EXERCISE OF DISCRETION BY PROXIES

Shares represented by properly-executed proxies in favour of the persons designated in the enclosed form of proxy, in the absence of any direction to the contrary, will be voted FOR the: (i) election of directors; (ii) appointment of auditors; (iii) resolution ratifying and confirming the 2003 Stock Option Plan; and (iv) special resolution authorizing an amendment to the Articles of the Corporation so as to, if deemed advisable by the Board of Directors of the Corporation, consolidate the issued and outstanding common shares of the Corporation on the basis of one common share for a maximum of every ten (10) common shares issued and outstanding, as stated under such headings in this Management Information Circular. Instructions with respect to voting will be respected by the persons designated in the enclosed form of proxy. With respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting, such shares will be voted by the persons so designated

in their discretion. At the time of printing this Management Information Circular, management of the Corporation knows of no such amendments, variations or other matters.

VOTING SHARES

As at June 8, 2015, there were 84,686,798 issued and outstanding common shares of the Corporation. Each common share entitles the holder thereof to one vote. The Corporation has fixed June 1, 2015 as the record date (the “**Record Date**”) for the purpose of determining shareholders entitled to receive notice of the Meeting. Pursuant to the *Canada Business Corporations Act*, the Corporation is required to prepare, no later than ten days after the Record Date, an alphabetical list of shareholders entitled to vote as of the Record Date that shows the number of shares held by each shareholder. A shareholder whose name appears on the list referred to above is entitled to vote the shares shown opposite his or her name at the Meeting. A shareholder of record on the Record Date will be entitled to vote those shares included in the list of shareholders entitled to vote at the Meeting, even though the shareholder may subsequently dispose of his or her shares. No shareholder who has become a shareholder after the Record Date will be entitled to attend or vote at the Meeting or any adjournment(s) thereof. The list of shareholders is available for inspection during usual business hours at the registered office of the Corporation, 139 Avenue Québec, Suite 202, Rouyn-Noranda, Québec, and at the Meeting.

PRINCIPAL SHAREHOLDERS

As at June 8, 2015, to the best knowledge of the Corporation, no person beneficially owned, directly or indirectly, or exercised control or direction over, more than 10% of the common shares of the Corporation.

The audited annual financial statements for the fiscal year of the Corporation ended December 31, 2014 will be placed before the Meeting. The audited annual financial statements of the Corporation are included in the Corporation’s 2014 Annual Report which was mailed to shareholders who requested the 2014 Annual Report and which is also available on SEDAR at www.sedar.com. Additional copies of the 2014 Annual Report may be obtained from the Corporation upon request and will be available at the Meeting.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about the Corporation's executive compensation objectives and process and to discuss compensation relating to each person who acted as President and Chief Executive Officer ("CEO") and Chief Financial Officer ("CFO") and the three most highly-compensated executive officers (or three most highly-compensated individuals acting in a similar capacity), other than the CEO and CFO, whose total compensation was more than \$150,000 in the Corporation's last financial year (each a "Named Executive Officer" and collectively the "Named Executive Officers"). For the fiscal year ended December 31, 2014, the Corporation had two Named Executive Officers, namely, the CEO (Martin Dallaire) and CFO (Sylvain Champagne).

Compensation Philosophy and Objectives

In light of the Corporation's current stage of development, it does not have a formal compensation program. The Board of Directors meets to discuss and determine management compensation without reference to formal criteria. The general objective of the Corporation's compensation is to: (i) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (ii) align management's interests with the long-term interests of shareholders; (iii) provide a compensation package that is commensurate with other junior mining exploration companies in order to enable the Corporation to attract and retain talent; and (iv) ensure that the total compensation package is designed in a manner that takes into account the constraints under which the Corporation operates by virtue of the fact that it is a junior mining exploration company without a history of earnings.

Compensation Process

The Board of Directors does not have a Compensation Committee. The Board of Directors, as a whole, ensures that total compensation paid to all Named Executive Officers is fair and reasonable and accomplishes the following long-term objectives:

- produce long-term, positive results for the Corporation's shareholders;
- align executive compensation with corporate performance; and
- provide market-competitive compensation and benefits that will enable the Corporation to recruit, retain and motivate the executive talent necessary to be successful.

The Board of Directors also relies on the experience of its members as officers and directors with other junior mining exploration companies in assessing compensation levels.

Analysis of Elements

The compensation paid to Named Executive Officers is comprised of two main components: base salary and long-term incentives, comprised of stock options ("Options") granted pursuant to the Corporation's Stock Option Plan adopted by the Board of Directors in 2003, as amended (the "2003 Plan"). The following discussion describes the components of compensation and discusses how each component relates to the Corporation's overall executive compensation objective. The Corporation believes that:

- base salaries provide an immediate cash incentive for the Corporation's Named Executive Officers and should be at levels competitive with peer companies that compete with the Corporation for business opportunities and executive talent; and
- Options ensure that the Named Executive Officers are motivated to achieve long-term growth of the Corporation and continuing increases in shareholder value, and provide capital accumulation linked directly to the Corporation's performance.

The Corporation places equal emphasis on base salary and Options as short-term and long-term incentives, respectively.

Base Salaries

The Named Executive Officers receive a base salary which is based primarily on the level of responsibility of the position, the qualifications and experience of the officer and market conditions. The base salary may be paid to the Named Executive Officer or a company controlled by the Named Executive Officer in the form of a consulting fee.

The base salaries of the Named Executive Officers are reviewed annually to ensure that they take into account the following factors: market and economic conditions, levels of responsibility and accountability of each Named Executive Officer, skill and competencies of each individual, retention considerations, and level of demonstrated performance.

Base salaries, including that of the CEO, are reviewed by the Board of Directors on the basis of its opinion as to a fair and responsible compensation package, taking into account the contribution of the CEO to the Corporation's long-term growth and the knowledge of the members of the Board of Directors with respect to remuneration practices in Canada.

Long-Term Incentive Plans and Stock Option Plan

The Corporation has no long-term incentive plans other than the 2003 Plan. The Corporation provides long-term incentive compensation to its Named Executive Officers through the 2003 Plan. Under the 2003 Plan, the Board of Directors of the Corporation may by resolution grant Options to directors, officers and/or employees of, and service providers to, the Corporation, provided that the total number of shares issued under the 2003 Plan does not exceed 10% of the number of shares outstanding from time-to-time. The Board of Directors grants Options from time-to-time based on its assessment of the appropriateness of doing so in light of the long-term strategic objectives of the Corporation, its current stage of development, the need to retain or attract particular key personnel, the number of Options already outstanding and overall market conditions. The Board of Directors views the granting of Options as a means of promoting the success of the Corporation and higher returns to its shareholders. As such, the Board of Directors does not grant Options in excessively dilutive numbers or at exercise prices not reflective of the Corporation's underlying value. In 2014, the Board of Directors granted Options in respect to an aggregate of 700,000 common shares to the Named Executive Officers. These Options have an exercise price of \$0.05 per share and they will expire on July 4, 2024. These Options vested immediately. The exercise price of Options granted under the 2003 Plan is determined by the Board of Directors at the time the Options are granted, but cannot be less than the market price of the Corporation's common shares on the TSX Venture Exchange at the time of grant, less the permitted discount, subject to a minimum price of \$0.05 per share. The Options are not transferable and must be exercised no later than ten years after the date of grant. The Board of Directors may when granting, in its discretion, determine a vesting schedule for such Options, or determined that there shall be no restriction on vesting. The 2003 Plan provides that if the Corporation is required under the *Income Tax Act* (Canada) or any other applicable law to remit to any governmental authority an amount on account of tax on the value of any taxable benefit associated with the exercise of Options by an optionee, then the optionee shall, concurrently with the exercise of the Options: (i) pay to the Corporation, in addition to the exercise price for the Options, sufficient cash as is determined by the Corporation, in its sole discretion, to be the amount necessary to fund the required tax remittance; (ii) authorize the Corporation, on behalf of the optionee, to sell in the market, on such terms and at such time or times as the Corporation determines, in its sole discretion, such portion of the shares being issued upon exercise of the Option as is required to realize cash proceeds in an amount necessary to fund the required tax remittance; or (iii) make other arrangements acceptable to the Corporation, in its sole discretion, to fund the required tax remittance. Under the 2003 Plan, if an optionee dies, any Option held by the optionee may be exercised for a period of one year after the date of death. If an optionee ceases to be eligible under the 2003 Plan for any reason other than death, any Option held by the optionee may be exercised for a period of 90 days after the date of such ineligibility.

Group Benefits/Perquisites

The officers of the Corporation do not benefit from any life, medical, long-term disability or other insurance. None of the officers benefit from a retirement plan.

External Compensation Consultants

During the fiscal years ended December 31, 2014 and 2013, the Corporation did not retain the services of executive compensation consultants to assist the Board of Directors in determining compensation for any of the Corporation's Named Executive Officers or directors.

Assessment of Risks Associated with the Corporation's Compensation Policies and Practices

The Board of Directors has assessed the Corporation's compensation plans and programs for its executive officers to ensure alignment with the Corporation's business plan and to evaluate the potential risks associated with those plans and programs. The Board of Directors has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Corporation.

The Board of Directors considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Corporation has not adopted a policy restricting its Named Executive Officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its Named Executive Officers or directors. To the knowledge of the Corporation, none of the Named Executive Officers or directors has purchased such financial instruments.

(1) This column discloses the actual salary earned during the fiscal years indicated.

(2) The Corporation does not have a share-based compensation plan.

(3) This column discloses the total value of stock options at the time of grant. **These figures do not reflect the current value of the stock options or the value, if any, that may be realized if and when the stock options are exercised.** The value of the option awards was calculated using the Black-Scholes option-pricing model using the same assumptions used for determining the equity-based compensation expense in the Corporation's financial statements for the fiscal years ended December 31, 2014, 2013 and 2012. These assumptions are:

	2014	2013	2012
Risk-free interest rate:	2.32%	2.41%	1.71%
Expected life of options:	10 years	10 years	10 years

INFORMATION ON THE AUDIT COMMITTEE

Charter of the Audit Committee

The Charter of the Audit Committee is annexed to this Management Information Circular as Schedule A.

Composition of the Audit Committee

The Audit Committee is composed of Sylvain Champagne, Donald Lacasse and Jean-Pierre Landry. Under National Instrument 52-110 *Audit Committees*, a director of an Audit Committee is “independent” if he or she has no direct or indirect material relationship with the issuer, that is, a relationship which could, in the view of the Board of Directors, reasonably be expected to interfere with the exercise of the member’s independent judgment. The Board of Directors has determined that Donald Lacasse and Jean-Pierre Landry are independent members of the Audit Committee. The Board of Directors considers that Sylvain Champagne is not an independent member of the Audit Committee in that Mr. Champagne is the Chief Financial Officer of the Corporation.

The Board of Directors has determined that each of the three members of the Audit Committee is “financially literate” within the meaning of section 1.6 of National Instrument 52-110 *Audit Committees*, that is, each member has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally

comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation's financial statements.

Education and Relevant Experience

The education and related experience of each of the members of the Audit Committee that is relevant to the performance of his responsibilities as a member of the Audit Committee is set out below.

Sylvain Champagne. Sylvain Champagne (B.B.A. 1992, Université du Québec Abitibi-Temiscamingue) has been the Chief Financial Officer of the Corporation since August 2004 and a director since January 2002. Mr. Champagne is also Chief Financial Officer of Visible Gold Mines Inc. and X-Terra Resources Inc., two companies listed on the TSX Venture Exchange. Mr. Champagne was Chief Financial Officer and a director of X-Terra Resources Corporation (now Norvista Capital Corporation), a company listed on the TSX Venture Exchange, from March 2008 to June 2014.

Donald Lacasse. Donald Lacasse (B. Eng. 1971, University of Ottawa) worked as an engineer at Hydro-Québec from May 1972 to April 1998, at which time he retired. Mr. Lacasse has been a director of Radisson Mining Resources Inc. from 2002 to 2015 and he presently serves as its Chief Financial Officer and Corporate Secretary. Mr. Lacasse has extensive expertise in personnel management and overall project management. Mr. Lacasse was a member of the Québec Order of Engineers from 1971 to 2014.

Jean-Pierre Landry. Jean-Pierre Landry was general manager project and construction for Hecla Mining Company from 2011 to 2014. Mr. Landry received his Engineering degree with honors from McGill University in 1983. Mr. Landry worked with major consulting firms in the mining, industrial and commercial sectors. Mr. Landry was project manager for 14 years within the Noranda Mines group, taking part in both mining and metallurgical projects. Mr. Landry was a member of the Ordre des ingénieurs du Québec and the Association of Professional Engineers of Ontario until recently.

Pre-approval Policies and Procedures for Audit Services

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services.

External Auditor Fees

(a) Audit Fees

"Audit fees" consist of fees for professional services for the audit of the Corporation's annual financial statements, assistance with interim financial statements, and related matters. Dallaire & Lapointe Inc., Chartered Professional Accountants, the Corporation's external auditors, billed the Corporation \$26,730 in audit fees during the fiscal year ended December 31, 2014 and billed the Corporation \$30,780 in audit fees during the fiscal year ended December 31, 2013.

Dallaire & Lapointe Inc., Chartered Professional Accountants, the Corporation's external auditors, did not bill the Corporation for audit-related fees during the fiscal year ended December 31, 2014 and billed \$2,130 to the Corporation for audit-related fees during the fiscal year ended December 31, 2013.

(c) Tax Fees

"Tax fees" consist of fees for professional services for tax compliance, tax advice and tax planning. Reliance on Exemption

The Corporation is relying on the exemption set out in section 6.1 of National Instrument 52-110 *Audit Committees* with respect to certain reporting obligations.

INDEBTEDNESS OF DIRECTORS AND OFFICERS

No person who is, or who was at any time during the fiscal year ended December 31, 2014, a director, executive officer or senior officer of the Corporation or a subsidiary thereof, and no person who is a nominee for election as a director of the Corporation, and no associate of such persons, is, or was at any time since the beginning of the fiscal year ended December 31, 2014, indebted to the Corporation or a subsidiary of the Corporation, nor has any such person been indebted at any time since the beginning of the fiscal year ended December 31, 2014 to any other entity where such indebtedness is the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Corporation or a subsidiary of the Corporation.

RATIFICATION AND CONFIRMATION OF THE 2003 STOCK OPTION PLAN

The 2003 Plan was established by the Board of Directors of the Corporation on May 1, 2003 and approved by the Corporation's shareholders at an annual and special meeting held on July 23, 2003. Initially, 667,880 common shares were reserved for issuance pursuant to the 2003 Plan. On January 18, 2006, the Board of Directors approved an amendment to the 2003 Plan in order to increase the maximum number of common shares reserved for issuance thereunder to 1,959,012, representing less than 10% of the number of issued and outstanding common shares of the Corporation as at the date of such amendment. On June 28, 2006, the Board of Directors approved an amendment to the 2003 Plan in order to increase the maximum number of common shares reserved for issuance thereunder to 2,602,967, representing less than 10% of the number of issued and outstanding common shares of the Corporation as at the date of the amendment. On May 8, 2007, the Board of Directors approved an amendment to the 2003 Plan in order to increase the maximum number of common shares reserved for issuance thereunder to 4,432,049, representing less than 10% of the number of issued and outstanding common shares of the Corporation as at the date of the amendment. On May 23, 2008, the Board of Directors approved an amendment to the 2003 Plan in order to increase the maximum number of common shares reserved for issuance thereunder to a number equal to 10% of the total number of issued and outstanding common shares of the Corporation from time-to-time. Further to this amendment, the number of common shares which may be reserved under the 2003 Plan automatically increases or decreases as the number of issued and outstanding common shares of the Corporation increases or decreases. This is known as a "rolling" stock option plan. The 2003 Plan was again amended in May 2010 so as to increase the maximum period during which an option may be exercised from five to ten years. The 2003 Plan was further amended on May 25, 2011 in light of recent changes to income tax laws in Canada, as a result of which the Corporation is required to withhold and remit to the applicable governmental authority an amount equal to the taxable benefit associated with the exercise of an option. On May 23, 2014, the Board of Directors approved amendments to the 2003 Plan in order to make housekeeping amendments required by the TSX Venture Exchange.

Under TSX Venture Exchange Policy 4.4 *Incentive Stock Options*, a "rolling" stock option plan must receive shareholder approval yearly, at the annual meeting of shareholders. Accordingly, shareholders will be asked to adopt a resolution in the form annexed hereto as Schedule B, ratifying and confirming the 2003 Plan. In order to be adopted, the resolution must be approved by a majority of the votes cast by the holders of the common shares, either present in person or represented by proxy at the Meeting. **Unless otherwise specified, the persons named in the accompanying form of proxy intend to vote FOR the resolution ratifying and confirming the 2003 Plan.** The details of the 2003 Plan are set out on page 8 above under "Compensation of Executive Officers and Directors — Long Term Incentives Plans and Stock Option Plan".

CONSOLIDATION OF SHARES

As at June 1, 2015, there were 84,336,798 issued and outstanding common shares of the Corporation. The Corporation considers that without a share consolidation, it may be more difficult for the Corporation to effect future financings.

Accordingly, shareholders will be asked to approve a special resolution in the form annexed to this Management Information Circular as Schedule C (the “**Special Resolution**”), authorizing, if deemed advisable by the Board of Directors, an amendment to the Articles of the Corporation so as to consolidate the issued and outstanding common shares of the Corporation on the basis of one common share for a maximum of every ten (10) common shares issued and outstanding. In order to be adopted, the Special Resolution must be approved by at least two-thirds of the votes cast by the holders of the common shares, either present in person or represented by proxy at the Meeting. The Board of Directors recommends that shareholders vote FOR the Special Resolution.

If the Special Resolution is adopted by the shareholders, Articles of Amendment will be filed if and when deemed advisable by the Board of Directors in its discretion, but in no case later than twelve months from the date of the Meeting. In such event, subject to the maximum referred to above, the determination of the basis for the consolidation will be at the discretion of the Board of Directors. **Unless otherwise specified, the persons named in the accompanying form of proxy intend to vote FOR the Special Resolution.** The amendment of the Articles will not have any effect on the day-to-day operations of the Corporation.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

No “informed person” of the Corporation, that is: (a) the directors and executive officers of the Corporation; (b) any person who beneficially owns, directly or indirectly, or exercises control or direction over more than 10% of the Corporation’s outstanding voting shares; (c) any director or executive officer of a person referred to in (b) above; or (d) any associate or affiliate of any “informed person” of the Corporation, has any material interest, direct or indirect, in any transaction since January 1, 2014 or in any proposed transaction which has materially affected or would materially affect the Corporation, other than as follows:

During the fiscal year ended December 31, 2014:

- (a) the Corporation retained the services of a company controlled by Martin Dallaire to provide consulting services. For the fiscal year ended December 31, 2014, the total amount paid to the company for such services was \$12,000. Mr. Dallaire is the President and Chief Executive Officer of the Corporation;
- (b) the Corporation retained the services of a company controlled by Sylvain Champagne to provide financial and administrative consulting services. For the fiscal year ended December 31, 2014, the total amount paid to the company for such services was \$27,260. Mr. Champagne is the Chief Financial Officer of the Corporation; and
- (c) the Corporation was charged an aggregate of \$18,000 for shared office and related expenses from corporations of which certain directors of the Corporation are also director.

OTHER MATTERS

Management of the Corporation knows of no other matter to come before the Meeting other than those referred to in the Notice of Meeting. However, if any other matters which are not known to the management should properly come before the Meeting, the accompanying form of proxy confers discretionary authority upon the persons named therein to vote on such matters in accordance with their best judgment.

SHAREHOLDER PROPOSALS

The *Canada Business Corporations Act* provides, in effect, that a registered holder or beneficial owner of shares that are entitled to vote at an annual meeting of the Corporation may submit to the Corporation notice of any matter that the person proposes to raise at the meeting (referred to as a “**Proposal**”) and discuss at the meeting any matter in respect of which the person would have been entitled to submit a Proposal. The *Canada Business Corporations Act* further provides, in effect, that the Corporation must set out the Proposal in its management proxy circular along with, if so requested by the person who makes the Proposal, a statement in support of the Proposal by such person. However, the Corporation will not be required to

set out the Proposal in its management proxy circular or include a supporting statement if, among other things, the Proposal is not submitted to the Corporation at least 90 days before the anniversary date of the notice of meeting that was sent to the shareholders in connection with the previous annual meeting of shareholders of the Corporation. As the notice in connection with the Meeting is dated June 9, 2015, the deadline for submitting a proposal to the Corporation in connection with the next annual meeting of shareholders is March 10, 2016.

The foregoing is a summary only; shareholders should carefully review the provisions of the *Canada Business Corporations Act* relating to Proposals and consult with a legal advisor.

CORPORATE GOVERNANCE PRACTICES

National Policy 58-201 *Corporate Governance Guidelines* and National Instrument 58-101 *Disclosure of Corporate Governance Practices* set out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation's required annual disclosure of its corporate governance practices.

1. Board of Directors

Disclose how the board of directors facilitates its exercise of independent supervision over management, including:

- (a) *the identity of directors who are independent; and*
- (b) *the identity of directors who are not independent, and the basis for that determination.*

The Board of Directors considers that Donald Lacasse and Jean-Pierre Landry are independent within the meaning of National Instrument 52-110 *Audit Committees*.

The Board of Directors considers that Sylvain Champagne and Martin Dallaire are not independent within the meaning of National Instrument 52-110 *Audit Committees* in that Messrs. Champagne and Dallaire are senior officers of the Corporation.

Two of the current four directors are independent; the Board of Directors is thus not composed of a majority of independent directors. Meetings of the Board of Directors are chaired by Martin Dallaire. If necessary, the independent members of the Board of Directors can meet without non-independent directors and members of management present. Important matters are discussed within the Audit Committee of the Board of Directors, which is comprised for the most part of independent directors. These factors allow the Board of Directors to preserve its independence with respect to management of the Corporation and to exercise its independent supervision over management.

2. Directorships

If a director is presently a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction, identify both the director and the other issuer.

The following directors are currently directors of other issuers that are reporting issuers (or the equivalent) in a jurisdiction of Canada or a foreign jurisdiction:

Name of Director	Issuer
Sylvain Champagne	Visible Gold Mines Inc. X-Terra Resources Inc.
Martin Dallaire	Visible Gold Mines Inc. X-Terra Resources Inc.

3. **Orientation and Continuing Education**

Describe what steps, if any, the board takes to orient new board members, and describe any measures the board takes to provide continuing education for directors.

The Corporation does not currently have a formal orientation program for new directors. The Board of Directors has not taken any measures to provide continuing education for the directors.

4. **Ethical Business Conduct**

Describe what steps, if any, the board takes to encourage and promote a culture of ethical business conduct.

In light of the Corporation's stage of development and its limited number of employees, the Board of Directors has not taken formal steps to encourage and promote a culture of ethical business conduct. The Corporation does take measures to ensure that the directors do not trade in the Corporation's shares at a time when disclosure of material information is pending.

5. **Nomination of Directors**

Disclose what steps, if any, are taken to identify new candidates for board nomination, including:

- (i) *who identifies new candidates; and*
- (ii) *the process of identifying new candidates.*

The Board of Directors, as a whole, is responsible for recommending potential new directors and assessing the performance and contribution of directors. The Board of Directors will consider new candidates for nomination, if deemed necessary. The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

6. **Compensation**

Disclose what steps, if any, are taken to determine compensation for the directors and CEO, including:

- (i) *who determines compensation; and*

The compensation of the directors and Chief Executive Officer of the Corporation is determined by the Board of Directors. In determining the compensation of the directors and the Chief Executive Officer, the Board of Directors considers the size of the Corporation, its financial resources and the contribution of the Chief Executive Officer and directors to the Corporation's growth. During the fiscal year ended December 31, 2014, no directors received cash compensation for serving in that capacity.

- (ii) *the process for determining compensation.*

The process by which the Corporation currently determines the compensation of the executive officers of the Corporation is described in the section entitled "Compensation of Executive Officers and Directors – Compensation Discussion and Analysis" above.

7. **Other Board Committees**

If the board has standing committees other than the audit, compensation and nominating committees, identify the committees and describe their function.

The Board of Directors does not have any committees other than the Audit Committee.

8. **Assessments**

Disclose what steps, if any, that the Board takes to satisfy itself that the board, its committees, and its individual directors are performing effectively.

The Board of Directors is responsible for assessing the effectiveness of the Board of Directors, its committees and individual directors and the competence and qualifications that each director is required to bring to the Board of Directors. Although no formal process has been put in place for such assessment, the Board of Directors conducts informal assessments on an as-needed basis. In this regard, the Board of Directors from time-to-time examines and comments on its effectiveness and that of its committees, and makes adjustments when warranted.
